

# Photovoltaic Certificate of Compliance

Kraus & Naimer

DC disconnectors for solar PV power supply systems are fully compliant

with

IEC 60364-7-12:2002

and

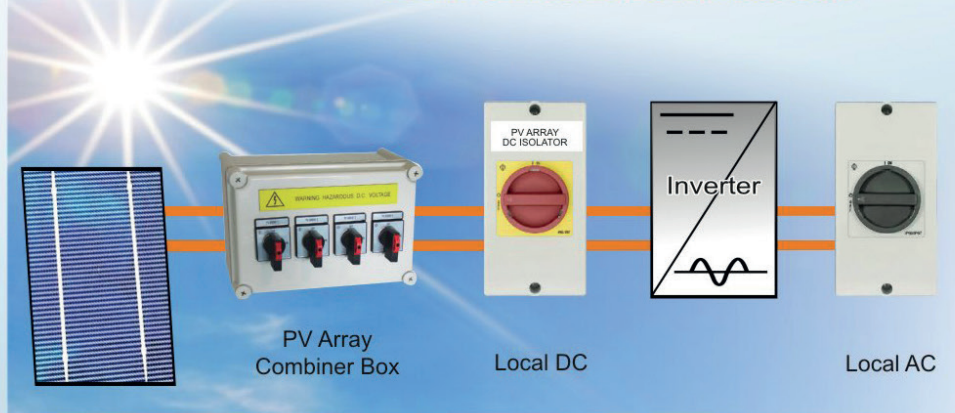

AS/NZS 5033: 2014

Approval Details	
Relevant Standard	AS/NZS 60947.1:2004 & IEC 60947.3:2008
Switch type	KFD25 (KN909), KFD25B (KN910)
Utilization Category	DC21B
Input Rating DC Voltage	170V up to 1000V
Switching Capacity Ampere	12A up to 25A

## K&N Switch-disconnectors

20 years on the roof of Kraus & Naimer's real life testing facility proves longevity of the product.
